Elections

We successfully administered four elections in 2012, and are extremely grateful to all of you who came out to vote. You passed a road millage, and re-elected your entire Oceola Township Board.

Going forward: When you move please be aware that you are not automatically registered to vote at your new address. You must ask to register to vote wherever you change your address on your driver's license. If you change your driver's license online please contact your local clerk's office to ensure you will be registered to vote.

If you have never voted in the State of Michigan and would like to vote an absentee ballot it is important that you contact the clerk's office in advance of your being out of town. However, if you have registered to vote at a Secretary of State's office you may also be eligible to vote an absentee ballot.

We thank you for taking the time to vote!
Please visit our website www.oceolatwp.org for up to date information on all elections.
